Experience

Senior UX/UI Designer

Vincit USA | Apr 2019 – Aug 2025

- Led UX/UI, research, and branding projects for clients including UC Berkeley, Irvine Company, Nokia, and UAG, delivering end-to-end product design solutions.
- Improved sales process, client workshops, team collaboration process, and delivery methods.
- Mentored junior designers, introducing tools and practices elevating creativity and execution.

Lead UX/UI Designer and Branding

Youturn Health: embedded via Vincit USA | Jun 2024 – Sep 2024

- Led discovery, workshops, research, strategy, and design execution that boosted user engagement, and improved behavioral health course completion rates.
- Delivered research analysis, low- and high- wireframes, and prototypes on-time and consistently through each stage of design and strategy while partnering alongside engineers and managers.

Lead Product Designer

Brightspot: embedded via Vincit USA | Dec 2022 – Mar 2024

- Led and owned end-to-end solutions with cross-functional teams for the redesign of a scalable, accessible CMS, reducing design debt and accelerating product-wide improvements.
- Improved UX and UI with cohesive and tested design patterns across numerous CMS platform user areas utilizing the improved design system.
- Unified dashboards, widgets, and page builder tools and content editing experiences, boosting user efficiency and enabling user teams to work faster.

Lead UX/UI Designer

KCRW: embedded via Vincit USA | 2022 – 2023

- Led end-to-end design with on-time deliverables, aligned strategy with internal and external teams, and mentored junior designers.
- Partnered with cross-functional teams to improve engagement across app sign-ups, app downloads, member donations, member perks, and ecommerce.
- Increased annual user donations by 99%, surpassing key business metrics.

Branding, Publication, Trade Show, and Graphic Designer

Performance Racing Industry & SEMA | Jun 2015 – Apr 2019

- Led trade show rebranding and design for 4 years, improving attendee experience and venue navigation, boosting first-year attendance by 30%
- Designed monthly magazine layouts and editorial features, upholding high visual standards and reinforcing industry leadership.

UI Designer & Graphic Designer

Zther Interactive | Jan 2015 – May 2015

- Designed UI for sports industry websites and e-commerce platforms, enhancing engagement.
- Built and maintained a comprehensive UI and iconography library and translated UX guidelines into consistent and polished interfaces.

Graphic Designer

Ware Malcomb | Apr 2014 – Feb 2015

- Designed wayfinding, environmental graphics, and signage systems for corporate, retail, and commercial spaces, improving physical and spatial navigation for on-site guests and employees.
- Reinforcing brand identity through interior graphics and layout solutions.
